OPINION

Pursuant to 42 U.S.C. § 1983, plaintiff, a state prisoner, filed this lawsuit challenging his conditions of confinement, the failure of correctional officers to protect a fellow inmate from assault, and a correctional officer's threats against plaintiff. This lawsuit is now before the court on the recommendation of the United States Magistrate Judge that plaintiff's case be dismissed without prejudice. There are no objections to the recommendation. After an independent and de novo review of the record, the court concludes that the magistrate judge's recommendation should be adopted.

An appropriate judgment will be entered.

DONE, this the 24th day of February, 2017.

UNITED STATES DISTRICT JUDGE
